SUMMARY ANALYSIS

REMOTE VIEWING (RV) SESSION CD26

- 1. (S) This report documents a remote viewing session conducted in compliance with a request for information on a target of interest.
- 2. (S) The remote viewer appeared to be having a very difficult time concentrating on the target. He stated that ambient room noise was bothering him considerably before the session. The viewer had very little confidence in his impressions.
- 3. (S) The protocol used for this session is detailed in the document, Grill Flame, Protocol, AMSAA Applied Remote Viewing Protocol (S), undated.
- 4. (S) Following is a transcript of the viewer's impressions during the remote viewing session. At TAB A are drawings made by the viewer reference his impressions of the target site. At TAB B is target cuing information provided the remote viewer at the time of this session.
